TRANSMITTAL OF REPLACEMENT DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

One set of replacement drawings (Figs. 1-4, 3 pgs.) is being submitted for filing in the subject application. In reviewing the drawings initially submitted to the Patent and Trademark Office we have determined the figures were not of high quality. Therefore, replacement drawings are being submitted to present the highest quality patent. These replacement drawings have been studied and compared to the drawings initially filed with the application. There are no substantive changes in the drawings and accordingly, no new matter is presented by the replacement drawings.

Acknowledgment of receipt is respectfully requested.

Respectfully submitted,

By:
